Sermon Topic: Part II ~ "Keep Your Eyes On The Prize"

But ye that did cleave unto the LORD your God are alive every one of you this day. Behold, I have taught you statutes and judgments, even as the LORD my God commanded me, that ye should do so in the land whither ye go to possess it. Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people. For what nation is there so great, who hath God so nigh unto them, as the LORD our God is in all things that we call upon him for? And what nation is there so great, that hath statutes and judgments so righteous as all this law, which I set before you this day?

Sermon Text: Deuteronomy 4:4-8 (KJV)

Call To Discipleship, Consecration and Commitment

This is a time for prayer as we are interceding with the Holy Spirit to lead someone to Christ. Please remain in the sanctuary at this time. Thank you!

Benediction

OFFERING SCRIPTURE

Malachi 3:8-10 (KJV)

"Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings. Ye are cursed with a curse, For ye have robbed me, even this whole nation. Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

SOWING AND REAPING DECLARATION

What you should know

KEEP YOUR HANDS CLEAN

Wet your hands with clean running water and then lather them with soap; don't miss the backs your hands, between your fingers or under your nails. Wash before cooking or eating, after using the bathroom and after blowing your nose, coughing or sneezing. Avoid touching your eyes, nose or mouth. Alcohol-based hand sanitizers, which should be rubbed in for about 20 seconds, can also work, but the gel must contain at least 60 percent alcohol.

CLEAN FREQUENTLY

Clean touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using regular household detergent and water.

IF YOU ARE SICK STAY HOME

Coronavirus starts deep in the lungs, and the most common signs are fever and dry cough, followed by fatigue and shortness of breath. Most cases do not start with a runny nose. If you have any of these symptoms, please make every effort to remain at home.

Flu shares many of the symptoms of the common cold, symptoms of the flu are typically more severe and come on quicker. Early signs of the flu include fatigue, sudden fever (usually above 100°F [38°C]), scratchy or sore throat, cough, chills, muscle or body aches, runny nose. Eat healthy and drink plenty of fluids

STOCK UP ON HOME SUPPLIES, and MEDICINE

Experts suggest stocking at least a 30-day supply of any needed prescriptions, and you should consider doing the same for household items like food staples, laundry detergent, and diapers if you have small children.

WHO IS AT HIGH RISK?

Older adults and people who have a serious chronic medical condition like, heart, diabetes and lung diseases.

KEEP YOUR DISTANCE FROM SICK PEOPLE

If someone else is showing flu or cold-like symptoms, try to stay six feet away.

A SAFE WAY TO GREET

Just say hi
Tapping elbows
Wave
Throw a peace sign
Tip your hat
Air high five
