## ***OFFERING SCRIPTURE***

*Deuteronomy 8:10-11a, 17-18*

When thou hast eaten and art full, then thou shalt bless the LORD thy God for the good land which he hath given thee. Beware that thou forget not the LORD thy God. And thou say in thine heart, My power and the might of mine hand hath gotten me this wealth.

But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers as it is this day.

---

## ***Sowing And Reaping Declaration***

**Lord**, I pledge my Tithe and Offering to **You**  
because they belong to **You**.

I declare unexpected blessings are coming my way, opportunities, breakthroughs, supernatural favor because **You** are the possessor and provider of more than enough.

I declare I will lend and not borrow, give, prosper and have good success knowing **You** are my source.

**Lord**, I declare abundance, favor and blessings over my life, knowing **You** are able to do according to Ephesians 3:20, exceeding abundantly above all that we ask or think, according to the **POWER** that worketh in us.

*In Jesus' Name this I declare!*

## What you should know

Wash YOUR  
HANDS and say  
your PRAYERS  
cause  
**JESUS**  
and Germs  
ARE  
EVERYWHERE!

### KEEP YOUR HANDS CLEAN

Wet your hands with clean running water and then lather them with soap; don't miss the backs your hands, between your fingers or under your nails. Wash before cooking or eating, after using the bathroom and after blowing your nose, coughing or sneezing. Avoid touching your eyes, nose or mouth. Alcohol-based hand sanitizers, which should be rubbed in for about 20 seconds, can also work, but the gel must contain at least 60 percent alcohol.

### CLEAN FREQUENTLY

Clean touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using regular household detergent and water.

### IF YOU ARE SICK STAY HOME

**Coronavirus** starts deep in the lungs, and the most common signs are fever and dry cough, followed by fatigue and shortness of breath. Most cases do not start with a runny nose. If you have any of these symptoms, please make every effort to remain at home.

**Flu** shares many of the symptoms of the common cold, symptoms of the flu are typically more severe and come on quicker. Early signs of the flu include fatigue, sudden fever (usually above 100°F [38°C]), scratchy or sore throat, cough, chills, muscle or body aches, runny nose. Eat healthy and drink plenty of fluids

### STOCK UP ON HOME SUPPLIES, and MEDICINE

Experts suggest stocking at least a 30-day supply of any needed prescriptions, and you should consider doing the same for household items like food staples, laundry detergent, and diapers if you have small children.

### WHO IS AT HIGH RISK?

Older adults and people who have a serious chronic medical condition like, heart, diabetes and lung diseases.

### KEEP YOUR DISTANCE FROM SICK PEOPLE

If someone else is showing flu or cold-like symptoms, try to stay six feet away.

### A SAFE WAY TO GREET

- Just say hi
- Tapping elbows
- Wave
- Throw a peace sign
- Tip your hat
- Air high five
