From Our Pastor!

Pastor Rabon Turner

Dear Grace Emmanuel family I greet you in the name of our Lord and Savior Jesus Christ, who is still on the throne. This announcement relates to the Corona Virus, how it is affecting our community and how we plan to respond in our day to day operations. The Bible teaches us that we are to utilize wisdom and discretion. It has been our intent that we would continue to have in personal worship, however looking at these unprecedented times and uncharted waters and just using a bit of common sense, as your servant leader it is my job and my responsibility to cover you not only in prayer but to make sure that we are looking out for your welfare and overall health. Therefore, effective immediately we are cancelling all in personal worship services, meetings etc. It has been our desire to continue to keep our doors open, but for your safety and our safety we are making sure we do everything we can to insure you are safe and secure. So while we **WILL NOT** have in personal worship where you come to the building, the wonderful thing about the Gospel of Jesus Christ in today's time we can bring it to you. We look forward to sharing with you via Cyber Church and we are taking these steps to make sure we can still worship and fellowship together. 1: Starting Sunday morning November 3rd at 10:00 a.m. sharp we will be streaming our services, on our website graceemmanuelbaptistchurch.org. or [@graceemmanuelbaptistchurch](https://www.facebook.com/graceemmanuelbaptistchurch) Face book page or Youtube, where you will be able to join our online worship. 2: To make sure you have everything you need, our deacons will be keeping in touch and checking in on you, especially our seasoned saints. 3: We want you to be aware that if you don't have to leave your home please stay indoors until we understand what's going on with the second wave of Covid-19. Finally, you can not only worship in cyber space, but you can continue to participate in your giving of tithes and offerings. We have made it easy with four different ways to give. Givelify; Easytithes (located in your app store); text the word Give to 810-202-9927 or mail your offering to the church at 3502 Lapeer Rd., Flint, MI 48503. In the midst of it all, I want to encourage your hearts and remind you, hope is still alive, God is still on the throne and He is working behind the scenes so that He will get the glory. Stay prayerful, stay home, take care of yourself and take care of your families. As always you are in my heart and my prayers. I will see you Sunday morning, 10:00 a.m. for Cyber Church graceemmanuelbaptistchurch.org may God bless you and may God keep you.

What you should know

Wash YOUR
HANDS and say
your PRAYERS
cause
JESUS
and Germs
ARE EVERYWHERE!

KEEP YOUR HANDS CLEAN

Wet your hands with clean running water and then lather them with soap; don't miss the backs your hands, between your fingers or under your nails. Wash before cooking or eating, after using the bathroom and after blowing your nose, coughing or sneezing. Avoid touching your eyes, nose or mouth. Alcohol-based hand sanitizers, which should be rubbed in for about 20 seconds, can also work, but the gel must contain at least 60 percent alcohol.

CLEAN FREQUENTLY

Clean touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using regular household detergent and water.

IF YOU ARE SICK STAY HOME

Coronavirus starts deep in the lungs, and the most common signs are fever and dry cough, followed by fatigue and shortness of breath. Most cases do not start with a runny nose. If you have any of these symptoms, please make every effort to remain at home.

Flu shares many of the symptoms of the common cold, symptoms of the flu are typically more severe and come on quicker. Early signs of the flu include fatigue, sudden fever (usually above 100°F [38°C]), scratchy or sore throat, cough, chills, muscle or body aches, runny nose. Eat healthy and drink plenty of fluids

STOCK UP ON HOME SUPPLIES, and MEDICINE

Experts suggest stocking at least a 30-day supply of any needed prescriptions, and you should consider doing the same for household items like food staples, laundry detergent, and diapers if you have small children.

WHO IS AT HIGH RISK?

Older adults and people who have a serious chronic medical condition like, heart, diabetes and lung diseases.

KEEP YOUR DISTANCE FROM SICK PEOPLE

If someone else is showing flu or cold-like symptoms, try to stay six feet away.

A SAFE WAY TO GREET

- Just say hi
- Tapping elbows
- Wave
- Throw a peace sign
- Tip your hat
- Air high five
